

3 MEGA PIXEL CORNER CAMERA

Ariel™ 3MP Corner

The Ariel™ 3MP Corner Camera features a unique corner-shape form factor and extended field of view lens that provides ceiling-to-floor and wall-to-wall coverage. Due to its corner mounting, ligature-free housing and discrete infrared illumination, the Ariel 3 MP Corner camera is an ideal solution for any deployment that requires full coverage from a single camera — including correctional institutions, healthcare facilities, building lobbies and elevators.

DURABLE HOUSING

A rugged, no-ligature housing resists tampering, yet its sleek design makes it suitable for both industrial and commercial locations.

EXTENDED FIELD OF VIEW

The camera's specialty lens provides ceiling-to-floor and wall-to-wall coverage with no blind spots.

COVERT LOW LIGHT COLOR AND IR PERFORMANCE

The camera delivers extreme color sensitivity and IR illumination that is imperceptible to the human eye.
